

John Wood®

Power Direct Vent (ENERGY STAR®)

RESIDENTIAL

The John Wood® ENERGY STAR® qualified Power Direct Vent water heater is designed with a sealed combustion chamber, ultra-quiet blower and state-of-the-art gas control for highly accurate and reliable temperature regulation. Perfect for both residential new home construction and replacement water heater applications.

Features

Energy Savings

- ENERGY STAR qualified
- Exceeds NRCan energy efficiency standards
- Factory installed heat trap nipples

Designed for Performance

- Compact design – ideal as a replacement water heater and for closet installations
- Exclusive TankSaver® design to prolong tank life
- Ultra-quiet blower
- Convenient 3/4" side water connections for combination applications on high input 62,000 and 72,000 BTU units (plugs are factory installed)
- Suitable for altitudes up to 10,100 ft. (3,077 m)
- Factory installed T&P valve and drip tube
- Glass lined tank provides superior protection against corrosion

Safety Features

- Sealed Combustion Chamber design, eliminating the need for FV sensor
- Zero clearance to combustibles

Serviceability

- State-of-the-art gas control features advanced self-diagnostic capability that makes troubleshooting easy
- Conveniently located T&P and drain valve for ease of serviceability
- Auto-reset temperature switch monitors vent temperature

The Ultimate in Venting Flexibility

- 40,000 and 45,000 BTU models can be vented with ULC S636 PVC, CPVC or polypropylene up to 50 equivalent feet with 2" pipe, up to 125 equivalent feet with 3" pipe and up to 180 equivalent feet with 4" pipe horizontally through the wall or vertically through the roof (see installation manual for full details)
- 62,000 and 72,000 BTU high input models can be vented up to 50 equivalent feet with 3" pipe and up to 125 equivalent feet with 4" pipe (see installation manual for full details)
- Can be installed using a concentric vent kit (see reverse or installation manual for full details)

WARRANTY

8 Year Limited Tank Warranty

6 Year Limited Parts Warranty

Consult installation manual for terms and conditions or visit www.johnwoodwaterheaters.com for more information.
